

Maxwell Hodge Enforcement Fees

1st April 2025

SOLICITORS

Key points

The following sections provide cost information relating to enforcement fees (if enforcement is required in debt recovery matters). For information on timescales and costs for debt recovery, please view our Debt Recovery document.

When you first contact us about debt recovery, we will advise you whether any enforcement fees will be payable as well as which type of enforcement would be better suited to the recovery of your debt.

Contact Information

It is important to note that we can only advise on the costs and work involved following our initial conversation with you. For a detailed quote tailored to your individual circumstances, please contact:

- Pamela Lacey on 0151 526 9321 on ext. 1503
- Viv Sinnott on 0151 526 9321 ext. 1506

Fees and Disbursements

Most of the fees and disbursements attract VAT, which is currently 20%.

Disbursements are the costs relating to your matter that are payable to third parties such as the Court. All these payments are handled by us, as we pay the disbursements on your behalf to ensure a smoother transaction. Whereas fees are costs payable to Maxwell Hodge in undertaking the work. Please note that our fees are generally reviewed in April each year.
